NOTICE OF PUBLIC INFORMATION CENTRE STORMWATER MANAGEMENT MASTER PLAN

The Town of Stouffville invites you to attend an upcoming public information centre discussing the Town's Stormwater Management Master Plan. This plan is a comprehensive strategy to manage stormwater, which is the rain and melted snow that runs off streets and properties, into creeks and streams, and eventually enters our rivers and Great Lakes.

We want your feedback as we continue to shape this important Stormwater Management Master Plan Study.

Public Information Centre Overview:

Town staff and their consultants will share project goals and objectives, details on the field investigations that have been completed so far and information on the existing conditions impacting stormwater management. Town staff and project team members are seeking input on the project and will be available to answer questions about the project and receive feedback.

Public Information Centre Details:

- **DATE:** May 28, 2026
- **TIME:** 5:00 pm- 7:00 pm
- **LOCATION:** 19 On the Park, 19 Civic Ave, Stouffville
- **FORMAT:** Drop-In-person event.
- **PURPOSE:** To engage the public, receiving feedback and survey, to present the project's next steps.

Town staff and their consultants will share project goals and objectives, details of the field investigations that have been completed so far and information on the existing conditions impacting stormwater management.

We encourage everyone to attend and share your insights, as your voice is essential to shaping the future of the Town.

For more information, please visit our webpage or contact the Town's project team directly.
