

June 25 2025

Public Information Centre

At this event, a presentation on the applicant's proposal was given and the attendees were provided an opportunity to submit comments regarding the proposal. These comments, as well as the responses provided by the applicant, have been collected by the Town and will be added to the package that will be presented to Council in the coming months.

November 19 2025

Council Meeting

At the 1:00 PM Council Meeting on November 19th, Mayor and Council will be presented with a complete application set which will include the Fill Management Plan and reports, resident comments and responses, stakeholder comments and responses and approvals from external agencies (Region of York, Toronto Region Conservation Authority and the Ministry of Tourism and Culture). Mayor and Council will then deliberate on the merits of the application.
